

IMLS Grants

Who's getting what?

Who gets the most?

Drayton
Chicago
2010 ALA NY
2007 IL
New York City
Philadelphia 2009
UIUC CA

The infographic here is visualising the distribution of the grant amount on various parameters such as fiscal year, program type, number of programs, geographic location. As we explore we come across some obvious such as geographic locations. But some are uncertain, like the distribution of grant money in programs such as IA, IM, LI, LT, RE is unusual also the fiscal years with the highest amount of grants are surprising.
